Members,

When applying for a loan, please be prepared to provide the following documents;

1. Loan application – in-person or online
2. Check stubs – 2 most recent
3. Sources of additional income

If you are a Metro Bus Operator, please obtain the most recent update of your work record from your Superintendent. These must be hand delivered in a sealed envelope.

Having these documents will help speed up the processing of your loan request.

As always, thank you for your membership at Met Tran FCU. Please let us know how we may better assist you!

Thank you,

Jeff McGuire
