### Update on Met Tran FCU Move

Dear Members,

Met Tran FCU is in negotiation to lease space in the METRO building at 1900 Main St. in Houston. Our original plan was to have had the lease in place for a November 13<sup>th</sup> move-in date. However, due to our projected space requiring construction build-out and renovation, we are unable to meet this date.

We are now looking at January 22, 2019 as our proposed move-in date. We will keep you apprised of the progress, as well as any changes to this new date. The Board of Directors and staff of Met Tran FCU appreciate your patience as we work to improve our location and service delivery to you, our valuable members.

Please feel free to contact me with any questions, comments, or concerns.

Sincerely,

*Jeff McGuire*
